

FY Led strip low bay widely used for commercial place and industrial place, like office, warehouse, factory ,parking garage, supermarket, classroom and so on.

### Features

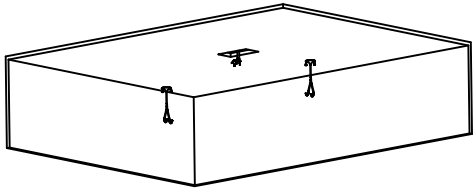

1. High energy efficient up to 130lm/w
2. Material : steel and PC
3. 0-10V dimming
4. 5 years warranty
5. UL, cUL, CE, RoHS approved, DLC 4.2 premium listed

### Technical parameters

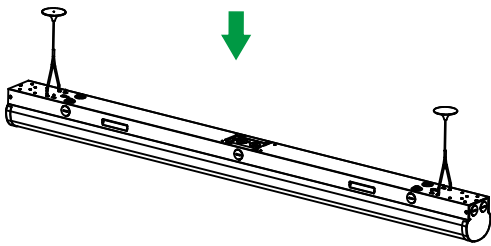

Model	FY-LBS-1200NF	FY-LBS-1200NF	FY-LBS-2400NF	FY-LBP-2400NF
Power	26W	40W	64W	72W
Weight	2.0kgs	2.0 kgs	4.5 kgs	4.5 kgs
Size	1220*86*90mm	1220*86*90mm	2440*86*90mm	2440*86*90mm
Lumen Efficient	130lm/w			
Input Voltage	AC100-277V/ AC200-480V 50Hz/60Hz			
CCT(K)	3000-6500K			
CRI	80Ra			
Warranty	5 Years			

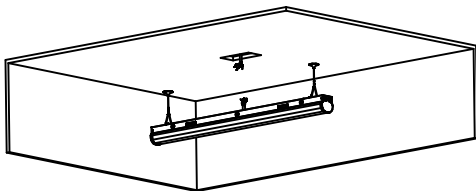

## Suspended

1. Fix the steel wire on the wall

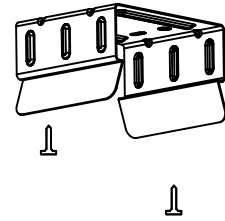

2. Pass V shape hook through the hole in fixture, Tie the hook with steel wire

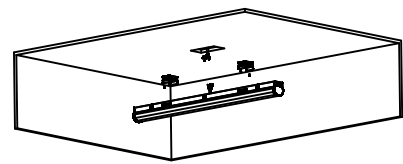

3. Connect the AC wire and dimming wire

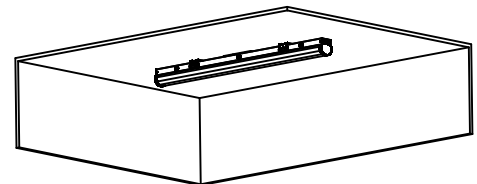

## Surface Mounted

1. Fix the clips on the wall

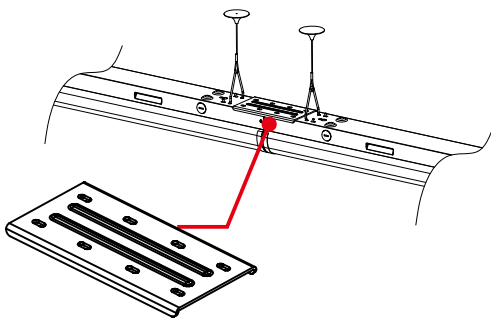

2. Connect the AC wire and dimming wire

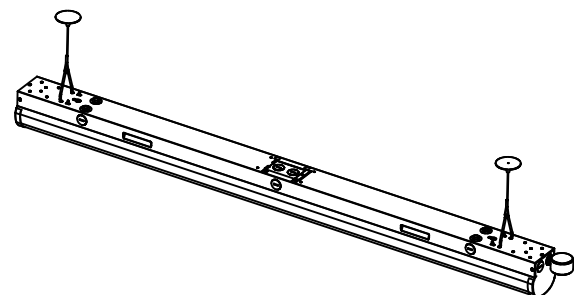

3. Attach the fixture to the clips

## Other Options

Connect in series

Microwave sensor and Emergency type available
