

LED Shoebox Light

CE ROHS

FY led shoebox light can be widely used in road, sidewalk, parking lots, gardens and so on. With weatherproof housing and cooling fins design heat sink to insure LED long lifetime for outdoor application.

Feature:

Ip65, IK10.

Philips Lumileds 3030chips .

Die-casting aluminum housing.

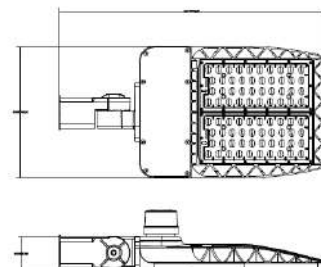

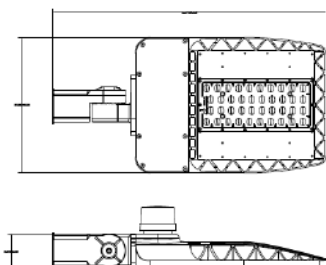

Motion sensor, photocell control and 10KV surge protection available.

Arm Mount / Arm adjustable Mount / Trunnion Mount for different installation.

UL, cUL, DLC

Technical parameters

Model	FY-SL-60W	FY-SL-100W	FY-SL-150W	FY-SL-200W
Power	60	100	150	200
Lumen	130-140 Lm/w	130-140 Lm/w	130-140 Lm/w	130-140 Lm/w
Weight	5.4Kg	5.4Kg	6.6Kg	6.6Kg
Size	L616*305*H80	L616*305*H80	L616*305*H80	L616*305*H80
Input Voltage	AC100-277V/ AC200-480V 50Hz/60Hz			
CCT(K)	4000K, 4500K, 5000K, 5700K			
BeamAngle	Type II, Type III, Type V			
CRI	>70			
Warranty	5 Years			

Product information

Different installation accessories:

Arm Mount

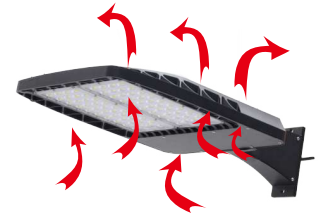

Arm adjustable Mount

Trunnion Mount

Heat sink

High-quality die-casting aluminum housing
Cool fins design good for heat release

LED and Driver

Philips Lumileds 3030chips,
Meanwell , FY driver,
10KV surge protection available

FY driver

Lens

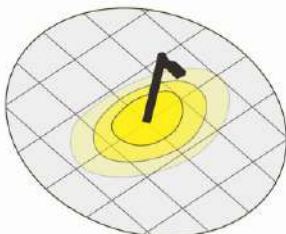

Anti-glare, advanced optical lens provide outstanding
photometric performance

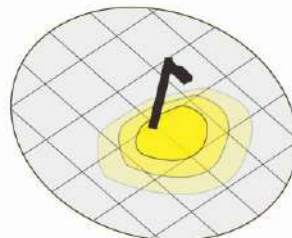

Beam Angle

Type II III IV V are option.

Type II

Type III

Type V
