

LED UFO High Bay Light

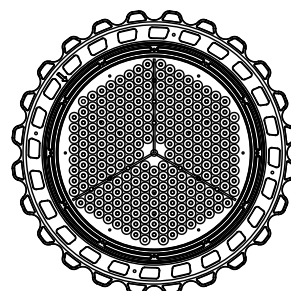

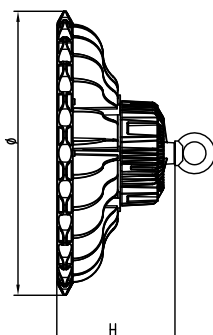

FY led UFO high bay with die-casting heat sink, can be widely used in industrial application, factory, warehouse, exhibition hall, sport stadium, farm and so on.

Feature

- Ip65
- Philips Lumileds 3030chips
- Dimmable, 200-480V voltage available
- Die-casting heat sink
- Excellent optic reflector, different beam angle lens
- UL, cUL, DLC

Technical parameters

Model	FY-UFO-A-100W	FY-UFO-A-150W	FY-UFO-B-200W	FY-UFO-C-240W
Power	100W	150W	200W	240W
Weight	5Kg	6Kg	8Kg	
Size	φ 300*124mm		φ 350*124mm	
Lumen	130-140 lm/W			
Input Voltage	AC100-277V/ AC200-480V 50Hz/60Hz			
CCT(K)	3000K,4000K,5000K, 5700K,6500K			
BeamAngle	60° 90° 120°			
CRI	>70 Ra			
Warranty	5 Years			

Product information

Heatsink

1. Die-casting heat sink with ventilation design is better for heat dissipation.
2. Design is simple.
3. Ip65.

Driver

Meanwell, FY driver

LED

Philips Lumileds 3030chips

Lens

1. advanced optical lens supply better performance.
2. tempered glass with high light transmittance.

PS:

Can add reflector for using

Beam Angle
